

Mandatory Mask Requirement & Covid19 Fraud Facts!

The entire covid19 so-called “pandemic” is a monumental fraud on the American people and the world. This is not an issue of safety, protection, viral threat above background viral outbreaks, or anything outside of power and control over people, fearmongering, manipulation of emotions, propagation of false and misleading news, false science, and plain corruption of corporate and government actors.

An actual global “pandemic” would naturally include massive deaths worldwide, including homeless people falling sick all across the globe... but this simply is not and did not EVER happen, and this is NOT an actual pandemic in fact, just scifi. From <https://www.medicinenet.com/pandemic/definition.htm...>

“Pandemic: An epidemic (a sudden outbreak) that becomes very widespread and affects a whole region, a continent, or the world due to a susceptible population. By definition, a true pandemic causes a high degree of mortality (death)

By contrast:

An epidemic affects more than the expected number of cases of disease occurring in a community or region during a given period of time. A sudden severe outbreak within a region or a group as, for example, AIDS in Africa or AIDS in intravenous drug users.

An endemic is present in a community at all times but in low frequency. An endemic is continuous as in the case of malaria in some areas of the world or as with illicit drugs in some neighborhoods.”

Now ask yourself, does Covid19 fall under that definition of “pandemic?” Note that... “By definition, a true pandemic causes a high degree of mortality” never took place globally, and Covid19 is merely “endemic” like EVERY country in the world has the flu “endemic” every year. In matter of actual data evidence and facts, Covid19 deaths have been LESS than most all yearly flue over the past few decades, and is a deceptive label used for political and criminal purposes.

How many people have you ever known who got the flu any given year? There is no American who likely has NEVER known of anyone with a yearly flu. How about Covid19? How many? Did they actually die? And, if they DID “have” Covid19, was it “going around” like the yearly flu always does in their area... except for this year, of course, for some strange reason, the yearly flu has disappeared and everyone ONLY has covid19?

Below is but a small taste of evidence, which is constantly being attacked without any supporting evidence to the contrary. Even the CDC, W.H.O. and other so-called scientific entities have contradicted themselves multiple times and are being manipulated by deep state, unconstitutional and criminal actors who are manipulating the masses with the help of witting or unwitting Americans across this republic.

This will be the evidence for the largest mass lawsuit ever witnessed in the world against all entities who have willfully and wantonly disregarded common sense, rational thinking and science, and joined the ongoing insurrection now taking place before our eyes in destroying people's lives, their businesses and their rights and freedoms with no thought for truth.

The "Jist" of this is that the lockdowns, face masks and other non-scientific behaviors being foisted on America and the world only delay the herd immunity and prolong the normal viral season indefinitely till people become immune... and then we must ask ourselves, are we ready to repeat this destructive and horrific cycle for all the coming yearly flu virus seasons till the end of time?

UPDATE: Here's what we are dealing with in all this covid19 madness... what a shame...

QUESTIONS TO CONSIDER:

1. If the masks actually work, then someone not wearing one is not an issue, correct? If your mask works, then stop worrying about mine. If a mask doesn't protect you from the virus, then why are you forcing me to wear one? If staying 6 feet apart prevents the virus, why do we wear masks? If masks work, why do we stay 6 feet apart wearing them? See the manipulation, and failure to critically think about this?

2. Requiring a mask for a healthy person is unconstitutional and has never been done with any success in history. They inhibit our rights to choose our own health

decisions, especially where such mandatory mask wearing for healthy people is unscientific, and proven unscientific, and proven unhealthy.

3. Restaurants, bars, stores, etc., are not medical professionals or doctors. Trying to deal with medical issues is outside the scope of most businesses. In preventing customers from entering an establishment, you are discriminating against people with health claims, (felony) so for you to be making requirements that actually counter known medical science, and support unhealthy actions in mask wearing is practicing medicine without a license. Due to American's with Disability Act and other laws, businesses cannot legally ask about someone's medical condition they are claiming or prevent them from being there due to any medical conditions.

4. On the package of masks: Meant to be used once and discarded; Do NOT prevent Covid19. They also harbor bacteria, moisture, pollen, dust, mold and potentially toxic substances. When wearing masks, you touch your face (and mask) and eyes 10 times more than you would without a mask, thereby transferring whatever is on the mask to many other things... ALL DAY LONG. The eyes are a major portal for virus, pollen, dust, bacteria... entry, and are exposed at all times.

5. So, knowing the masks DO NOT STOP VIRUSES, how is it that we don't have millions of sick and dying people across the planet? How it is that this, supposedly "novel" and "dangerous" virus hasn't done anything more than the yearly virus season... and actually less, except for democratic cities shoving people with the active flu into nursing homes, killing 10's of thousands on purpose. How's that for "science" at work?

6. Ask yourself this... what happened to the yearly flu the world sees normally? Why has there been no discussion in the news of this normal event since Covid19 showed up? Did Covid19 scare away all other viruses? Are they all gone except for Covid19? Doesn't that raise red flags for anyone who is actually thinking? Everything today, worldwide, is now Covid19? Is that reasonable?

7. If the virus is so deadly, and a threat to us all, why aren't the masks we use and/or dispose of being treated as "biological waste" or a "bio-hazard" and treated accordingly? If this virus is so threatening and deadly, why have "scientists and doctors" not been listing them as a bio-hazard item to be properly and safely disposed of due to the dangerous virus, bacteria, mold and other cumulative material we re-breathe every day unless it is disposed of or properly disinfected every day?

"If I can pretend your mask works, you can pretend I'm wearing a mask." Stroppey Me (You Tube).

If government tries to interfere, ask them for their license to practice medicine, and for valid proof that healthy people wearing masks is scientific. Also ask them if you are required to discard the HIPAA and ADA laws in place when dealing with customers. Video tape every encounter with government. It will be evidence in future mass and class action lawsuits.

HOW DID WE GET TO THIS FRAUD AND CONTROL?

If the terms “deep state” and “fake news” don’t have meaning to you, then you are not seeing the truth, are being lied to, and have a shock coming. We have become lazy, and like sheep, are being led about with lies, and easily herded when we have lost our own focus and understanding of what freedom, the constitution and our rights are, and that they can’t defend themselves against this attack. Who has done their due diligence in proving anything you hear about this virus or anything else government or media tells you? We’ve become irresponsible in our vigilance of our hired servants and others we’ve trusted for far too long.

Americans have trusted government and media for their entire lives, without any thought about whether what they were saying or doing was right and true. Now, millions are doing their own research into claims made by government deep state actors and fake news and finding them to be lying and fraudulently providing information to control and manipulate Americans, and for criminal and political purposes. This will be exposed in the near future.

Mask wearing is a means of “control” and a sign of fear, and sign of submission. Masks do not stop a virus, period. It is promoted to see who will blindly or fearfully follow what they are told (sheeple) and not question what the virus scam narrative is or the science behind it. We are losing our rights and freedoms from ignorance and apathy and all without even a whimper...

<https://www.youtube.com/watch?v=zXUtsft0Z74>

Governments at any level have no authority to close businesses or to subject businesses to financial damaging mandates outside proven, scientific health threats. That is tortuous interference outside a real pandemic or plague. The damage done to thousands of businesses and millions of jobs is incalculable. Are we going to allow it to continue? I, for one, refuse to wear a mask, being healthy, and will not patronize businesses that blindly require masks on healthy people.

Many Americans get angry when they see others not wearing a useless piece of cloth? Why? Because they “submit” to wearing a mask so “everyone” should have to do it despite the illogical facts that if mask-wearing actually works against virus, then they have nothing to worry about, right? Are they feeling ashamed and feeling “judged” for their wearing the mask? Peer pressure? “I’m protecting others?” “I care

and you don't if you don't wear a mask." The mask "unifies" and is a symbol... "I wear it because I care." See the blind control and division they are forcing on us?

I choose NOT to submit to this insanity of mask wearing when it flies in the face of common sense and science. Masks are purely a pacifier for those afraid of something they do not understand. "Patriotism" has nothing to do with mask wearing and is only something that merely enslaves us. I understand, however, that ignorance and irrational fear are real issues, so education is the ONLY remedy for it.

WHAT DO WE DO?

We fight back with the truth, facts and challenge our governments, Federal, state and local. They are accomplishing all this because we are NOT fighting back or challenging our public servants with the facts. They are becoming lawless, and tyranny is here unless we do something, as the rightful creators of government, to stop this nonsense.

CLASS ACTION LAWSUIT

There is growing interests across America to begin mass action, and class action, lawsuits against any and all involved with this proven scam... government actors, corporations, fake news media, businesses restricting civil rights, and more. Make it happen by getting involved!
